Giving to your church

There are a number of ways we can give to our church. Some prefer the weekly pledge envelope and others choose to put cash in the plate. Another option is eGive. The eGive program is an electronic giving option that establishes a regular direct debit from your bank account or credit card, replacing the need to carry cash for your offering.

Giving electronically allows you to set your regular financial gift upfront, rather than giving whatever happens to be in your wallet as the offering plate passes by.

It's a simple, safe and secure way to financially contribute to your church. Over 1,500 people in our Uniting Church community are already giving in this way.

For further information go to <http://ucinvest.com.au/give/egive#page=page-1> or collect a form from the foyer. Have a chat to Lyn or Council member if you have any questions.
