Marion-Warradale Congregation

A Community of Grace and Love.

Pentecost 12 August 23rd, 2020

A prayer for the week.

God of loving kindness and inspiring courage, we see your vision for just relations between people and nations. Sanctify our hospitality to strangers. Inspire our resistance against oppression. Enable our advocacy. Sustain our struggle. Amen

Thank you for joining us in Worship today.

Please feel relaxed and at home in this community of God's people-
YOU are most WELCOME.

There is a hearing loop installed in the church for those who have hearing aids.
For the best results, use the seats adjacent to the centre aisle..

COVID 19 Marshalls

The South Australian government has declared that from this Friday, August 21st, 2020 that all churches will need to appoint a **COVID Marshal**.

What this means for churches is that for worship services and related food/hospitality service, there must be a COVID Marshal present and easily identifiable.

Promote and take practical steps to ensure people participating in operations are complying with density requirements and physical distancing principles

Morning Tea

We are not holding Morning Tea just yet.
Church Council is planning how we can do so safely soon.

Donations of Non-Perishable Food Items and Toiletries

Collection of the above for 'Marion LIFE' Community program have re-commenced
Our regular, ongoing support is very much appreciated.

Midweek Communion.

There will be NO Tuesday Morning Communion Service in August.
These will resume on Tuesday 8th September.

Prayer Points

This week we pray for:
Our partners in ministry in the Uniting Aboriginal and Islander Christian Congress
as they celebrate the life of Aunty Dorrie
All those responding to the humanitarian crisis in Beirut
All those seeking reassurance in their faith during the pandemic

Church Buildings Usage

Access to our buildings still need to be managed as part of the response to COVID-19. Church Council needs to authorise any gathering on the property to ensure all required protocols are in place around density, hygiene and contact recording.
